

CORPORATE
PARTNERSHIP

1 in 3 children
are living in poverty in MK.

How

Our mission is to ensure children all over Milton Keynes have dinner so that they can turn up at school the next day without the burden of hunger pangs.

We are partnered with over 100 Schools, nurseries & family centres across MK who distribute our dinner kit boxes to children just when they need it.

We buy all the ingredients that make up our meal boxes, so that the food is in date & right for it's recipe. This means we rely on the generous financial giving of others.

What

We've developed 5 different meal kit boxes designed to create a delicious meal for the whole family. Everything needed for dinner is in the box, including a recipe card with straightforward instructions and games and puzzles for kids to play.

To make sure that the meals available suitable to fit ANY child's needs, we have made sure that there are options for children who are vegetarian, or gluten free or those that only have access to a kettle. We have tried them ourselves with our families and can confirm, they're tasty!
